PA Training Framework Project

www.sdsscotland.org.uk
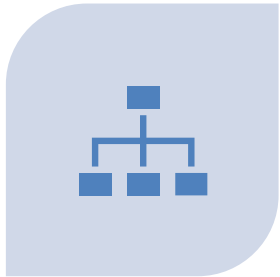

Twitter: @SDSScot

Project Plan

1. Identify Stakeholders – by 31st May

2. Consult Stakeholders/training needs capture – by 30th Sept

3. Develop a nationwide framework for PAs and employers - draft by 7th Dec

4. Develop content – by 31st March 2024

5. Plan for pilot, delivery, evaluation – by 30th April 2024

Progress update

MET 24 STAKEHOLDERS – LARGELY SIRD ORGS

STARTED A TRAINING NEEDS CAPTURE – TO BE SENT TO EMPLOYERS AND THEIR PAS

COLLATING DATA ABOUT TRAINING AVAILABLE THROUGHOUT COUNTRY

WILL USE INFO FOR PA/EMPLOYER HANDBOOK

INVITED TO PEER SUPPORT GROUPS, EVENTS...

Key points

Self Directed Support Scotland
the organisation of choice

Recruitment and budgets are a huge issue	Need for employer support/assessment - leads to better PAs	LAs tend to only include practical/medical training	Need for "managing relationships" training for both emp/PA
"One Stop Shop" would be useful	Explored foundational levels	Role of PA/difference with social care	Context/working in a home environment

Next steps and future thoughts

Speaking to employers and PAs more

Analyse training capture data

Finish collating

A lot of training available – pass on info

Employer training framework?

Any questions?

Thank you!
